THE FIRST SERIES

Of the Inter-city Checker Tourns-ment Between Wheeling and Bell-aire Opened Saturday Evening. Return Series Next Saturday.

The inter-city checker tournameral between the "Big Four" team, of Wheeling, and the Young Men's Club team, of Bellaire, opened Saturday evening at the former club's qu'arters Thirty-two of the sixty-four games scheduled were played, and the others are to be contested before the Young Men's Club, at Bellaire, next Saturday

The first series ended in favor of Wheeling, whose score was 18 won, 10 drawn and 4 lost. The honors of the evening were divided between Kalser and Winder, of the "Big Four," neither of whom lost a game. However, Meder. also of the home team, distinguished himself by winning the only game lost by Pine, of Bellaire, who easily led his team. Mr. Mitchell's victories were creditable; severa! times emerged triumphantly from very diffi-cult positions. The four games won by Bellaire went to the credit of Pine and Workman, two each, as follows: Pine vs. Meder, Pine vs. Mitchell, Workman vs. Meder, Workman vs. Mitchell. In detail the score of each team was as WHEELING

The games were scored by Mr. Baird Mitchell, of Wheeling, and Mr. Taylor, of Bellaire. They were witnessed by a number of spectators, including a goodly delegation of "rooters", from Bellaire, who, while disappointed over the result, took defent in good part, and told the Wheeling boys of the singular fact that the Bellaire team always play an invincible game at home.

It is likely that other inter-city

THE FIRST PRACTICE

Of the Wheeling Team this Afternoon.
Many Will be out.

The first practice of the Wheeling football team will be held at the island ball park this afternoon, at 4:30 o'clock, and it is expected there will be a large number of candidates on hand. will report to Captain Frank Kinchelo and practice in earnest will begin at once. BOWLING.

Some time ago the Intelligencer suggested the organisation of an Ohio Val ley Bowling League, with clubs at Wheeling, Martin's Ferry, Bellaire, Wellsburg, Steubenville, Benwood and Moundsville. Since then the situation has been canvassed and it is learned that Steubenville would probably not enter a team, and it is said there are no available alleys and little interest in the sport at Moundsville. However, the howiers at Wellsburg and Martin's Feary are enthusiastic for the proposed longue, and the Intelligencer has been irague, and the Intelligencer has been desured that two teams can be formed in Wheeling, one out of the Wheeling league and another out of the Musse league, which would give four teams, enough to start on if no others are available. It is likely, though, that both Benwood and Beliaire can be brought into the organization, thus making up a six ciub league. It is likely, too, that a third Wheeling tears could be organized out of the Carroll Club league.

This week a call for a meeting, at which to organize the league will be issued. It is desired to start the ball rolling about November 15.

CARROLL CLUB LEAGUE. This week at the Carroll Club will be opened with what promises to be the most successful bowling league the club has ever had. The interest manifested among the bowlers is unprecedented. The league will consit of six teams, bowling on Tuesday, Weducsday and Thursday of each week. It will continue through fifteen weeks, each team meeting three times. It will be a handleap league, differing from the season just closed, in that the teams will be handleapped as they appear on the allers. handlcapped as they appear on the al-leys. THE RAILROADS.

The rumor has been going for the last few days that J. E. Hannegan is to go back to Cleveland at the head of the passenger and freight department of the Wheeling & Lake Eric railroad. This story has been going for several days, but as the Wheeling people have not decided exactly as to the appointment they will not talk concerning it. Mr. Hannegan, it will be remembered,

was formerly here as the assistant general passenger agent of the Cleveland, Akron & Columbus. When that road was absorbed by the Pennsylvania he went to St. Louis as commissioner of
the Southwestern Mileage Bureau, associated with the Southwestern Passenger Association. At the time of his
leaving Cleveland he had been considered for the position at the head of the
consolidated Wheeling traffic business,
and now, since Mr. Townsend has resigned, the rumor has been renewed.
The consensus of opinion in this territory is that Mr. Hannegan was one of
the brightest young railroad men in this
section of country. He was always a
factor in a small road on questions that
larger roads feared. He had a faculty
of getting business with a poor service
that other roads could not get with
their better service, and this made him
valuable.—Cleveland Leader. he went to St. Louis as commissioner of
